No changes made to travel quarantine list

TOPEKA – There are no changes this week to the Kansas Department of Health and Environment’s (KDHE) travel quarantine list. Those needing to quarantine include:

- Attendance at any out-of-state mass gatherings of 500 or more where individuals do not socially distance (6 feet) and wear a mask.
- Been on a cruise ship or river cruise on or after March 15.

Mass gatherings are defined as any event or convening that brings together 500 or more persons in a single room or space at the same time such as an auditorium, stadium, arena, large conference room, meeting hall, theater or any other confined indoor or outdoor space. This includes parades, fairs and festivals. Mass gatherings does not include normal operations of airports, bus and train stations, medical facilities, libraries, shopping malls and centers, or other spaces where 500 or more persons may be in transit. It also does not include typical office environments, schools, restaurants, factories or retail/grocery stores where large numbers of people are present, but it is unusual for them to be within 6 feet of one another for more than 10 minutes.
