

Beneficiary Responsible Person Address window

This window displays the responsible person information entered on the ADDR screen in KAECSSES. The Responsible Person Name, Phone Number, Address line 1, Address line 2, City, State and Zip Code with an Effective and End date is displayed.

This window allows for inquiry only. If a change to the address information needs to be made, that information must be entered on the ADDR screen and the last paid benefit month reauthorized. The updated information will then be sent to the MMIS and this window will be updated with the new information.

The window will display the most recent address of the responsible person. The user can check the 'Display History' check box and the history of all the responsible person addresses will display.

This window can be accessed by clicking on the "Addtl Options" menu on the beneficiary windows. The user must enter the Beneficiary ID for which they are searching on the "Beneficiary Search" window before the Responsible Address window can be displayed.

Beneficiary Premium Window

The Beneficiary Premium window will display the Working Healthy and HealthWave XXI premium information for a specific case. The window will allow for the capability to inquire, add and change the premium information depending on the user's security profile.

This window will display all the active premium information. Historical information will be displayed if the History Filter box is checked. The user can also search for premium data for a given day by using the Date Specific Inquiry function. The History Filter and Date Specific Inquiry features cannot be used at the same time.

This window can be accessed by clicking on the "Addtl Options" menu on the beneficiary windows. The user must enter the case number or a beneficiary ID on the Beneficiary Search window before the Premium Window is displayed. The user can view the premium information for another case by entering a different case number in the "Next Case No" field.

The screenshot shows a software window titled "Beneficiary Premium". At the top, there is a menu bar with "File", "Edit", "Applications", "Options", and "Addtl Options". Below the menu bar, there are two input fields: "Case Number:" and "Case Name:". Underneath these, there is a "History" checkbox which is checked, followed by the word "Filter". To the right, there is a "Date Specific Inquiry" label and a text box containing "0000/00/00".

Premium Type	Start Date	End Date	Amount	Status	Last Update Date
Working Healthy	2009/07/01	2009/07/31	\$112.00	Active	2009/06/17

At the bottom of the window, there is a "Next Case No." label and an input field. To the right of this field are three buttons: "Inquire", "New", "Save", and "Exit".
